ELAC Update		Next Meeting 9/19/24
Principal's Update	Construction update: Facilities update and what was done over the summer: WASC writing year Enrollment, IB, AVID numbers	Connection between two buildings is being built, on track to be done early-possibly done by Aug 2025 Painting done this summer, new restrooms (all gender) next year, business office will be moved; Space made for psychologists and therapists on campus, ongoing work on water line damaged by solar construction WASC: mid-cycle assessment underway, due in Jan 2025, walk through would be in Spring 2025? Enrollment: MHS now at 1300 students, enrollment down across the district (MHS down 264?) Discrepancy between what District is reporting on MHS enrollment (1113) vs what AS reports (1300)-why? We might have a virtual Academy starting Jan 1 with students doing classes online but coming to MHS for sports and electives; this would increase our ADA Fully staffed, 5 safety advisors, 2 FEF, 2 Restorative Specialists Students more active, great turn out for club day, good vibe on campus; phone policy is going

		well; phone pouches have arrived IB: update next month AVID: update next month Free and Reduced Lunch survey is only 59% complete. Need to improve completion rate to maintain funding.
Teacher/Staff Updates		Kids seem happy and interacting with each other more; restorative program looking to do more groups this year
Student Updates		Students seem to be OK with cell phone policy, not seeing many students have phones taken away Students having trouble with PSAT sign-up More students wanting SAT testing option
Parent Updates		Weekly newsletter is great; more need for parent information/parent night for IB/College & Career/AVID?
Safety Plan	Changes will be made by Admin, to be reviewed by Site Council in November	After Nov 1 - Discuss after district wide Admin training on Safety Plan/incident response/student release
LCAP/SPSA goals review, discuss		
Action items:	Free and Reduced lunch count must be improved to 75% completion; currently at 59% We are at risk of losing our Title I school designation which in turns means less money. Word to parents and students needs to go out: -calls being made to parents -BTSN speech and tabling -Parentsqquare message to go out that is short, factual,	Voting in positions: President: Katie Boyd motion: AS second: MH approved: Yes Vice President: Mary Hortin motion: KB second: AS approved: Yes Note Taker: Courtney Gregory

	and strong about the chance of losing funding	motion: KB second: AS approved: Yes
Adjourn 4:57pm		Next meeting: Tues Oct. 8th
