PAWS AND CLAWS MEDIA HUB

Click here to be taken to the media hub

HOW IT WORKS

The paws and claws media hub is a shared photo and video album. Staff, volunteers, and visitors all have access to it, and are able to upload pictures and videos to the album.

WHAT KIND OF PHOTOS AND VIDEOS TO UPLOAD

Any cute photos taken at the Adoption Center of yourself, your friends and family, or the cats.

Adorable photos can help a cat get adopted faster. We love seeing happy volunteer and guest selfies with our resident felines!
