

Thank you for your interest in participating in Richfield Athletics through the co-operative program with Academy of Holy Angels. We are excited to have your child compete with us. There are three steps to registering for Richfield Athletics.

- 1.) Submit a Sports Qualifying Physical to athletics@rpsmn.org.

Once we have a physical on file, you may complete the 2-part registration online via www.schoolpay.com. You do not need to create an account with SchoolPay. Links have been included below to simplify the process, without an account.

- 2.) Complete the MN State High School League Required forms following this link.

- 3.) Next, complete the Sports Specific Registration form.
