Johansen Instrumental Music

Student Sponsorship Form

2025-2026 School Year

In support of the 2026 Instrumental Music LA Trip

By sponsoring this student, you are helping them gain access to experiences not available without financial support. Each student has a remaining goal(as of December 2025), of $700 to raise throughout the rest of the year. They have opportunities to earn via fundraisers and work at specific events, but sponsorship from you is going to be some of the most impactful because you will show them how much their education, value to community, and overall music experience means to you. Thank you in advance for your support!
