Instructions:

1. Using Night of Navy ink on scrap Basic White CS stamp airplane and sentiment. Stamp off (2nd generation ink) large plane in the center of Basic White layer.
2. Using Watercolor Pencils (Basic Gray for propeller and Blue for wings) color airplanes and smooth coloring with Blender Pens.
3. Die cut small plane, sentiment, and clouds from Basic White scrap.
4. Adhere large DSP to Night of Navy layer and then Basic White layer to the other piece of Night of Navy. Adhere DSP to front of card base with Seal. Adhere BW layer to inside of card base with Seal.
5. Using Seal adhere to additional DSP pieces to card front.
6. Using Stampin' Dimensionals adhere small plane and clouds to card front.
7. Using a small piece of twine behind the tail of the plane attach the banner with the sentiment using dimensionals.
8. Lightly spread Wink of Stella on clouds and propellers to add extra shine and movement.
