

I Love Mummy This Much

Launching 27th January 2020

The perfect way for little ones to express their love this Mother's Day

*"In every tiny thing you do each day,
Never forget that you are loved enormously."*

Mother's Day is a wonderful celebration of unconditional love, affection and trust. Show a Mummy how much she's loved, in a beautiful personalised story from her child. The perfect gift to curl up with every day but especially on Mother's Day.

"The sea is so blue, so deep and so wide, its waves moving gently, in and out with the tide. No one can count all the shells on the shore, but Mummy, who loves you an oceanful more?"

The story follows a day in the life of a child and their Mum. During their adventures, Mummy is told just how much her little one loves her. More than all the toys in the toybox? Oh yes. Than all the shells on the shore? Of course. Than all the worlds in the universe? Easily!

The magic of personalisation is experienced when you add a child's name and choose their character. You can also personalise it with mum's name - whether she's a Mummy, a Mama or a Ma! Watch as both names are magically weaved into the story, on the front cover, and in beautiful watercolour illustrations inside.

I Love Mummy This Much is an extra-special gift that'll make her heart burst with love when she sees it, and a timeless story she'll treasure for years to come.

The square format and thick, high-quality paper enhances the premium feel. For a truly unique gift, choose from four distinct covers plus add a personal dedication for an extra-loving touch. Choose from our softcover edition priced at £19.99 and a keepsake hardcover for £27.99.
