NU-NREC	Naresuan University Network Research Ethics Committee: NU-NREC	Conflict of Interest and Funding Form

Conflict of interest is not in itself a reason for protocol or investigator disapproval. The board will consider its existence and magnitude and whether or not these may affect the scope of protection the right and welfare of human participants. One copy of this form will be forwarded to the conflict of interest committee of the institute. The board will only send the investigator the institute opinion together with protocol approval results.
