What Do I Do Now?

Nathan Green

JAMES 5:13-15

13-15 Are you hurting? Pray. Do you feel great? Sing. Are you sick? Call the church leaders together to pray and anoint you with oil in the name of the Master. Believing-prayer will heal you, and Jesus will put you on your feet. And if you've sinned, you'll be forgiven—healed inside and out.

Prayer is an intentional communication with God.

God is here, with us, present in our midst. The reality of His nearness enables us to be steadfast.

We pray to Him, whatever our current circumstances are.

We serve a God who desires our perfection and completion… who gives generously without hesitation… He is the source of all good gifts… who gives grace to the humble... and who is always at hand... nearer to us than the very struggles and chaos we are going through.

Prayer enables us to hand over again to God what only He can redeem and transform. Prayer places us in a position where we can receive His peace and comfort.

We are to PRAY!

And our response to happiness. Is and should be to praise God.

Our happiness cannot be full and complete if we fail to recognize the One who is giving to us.

When you understand who the giver is... the gift takes on more value! It holds a greater meaning...

You need it and other people need your prayers! Your prayers are powerful!

Romans 10:9
that if you confess with your mouth the Lord Jesus and believe in your heart that God has raised Him from the dead, you will be saved.
