Name: _____ Date: _____ P: ___

Part 1 Directions. Work with a partner to analyze the below quotes from *Farewell to Manzanar*. Refer to the novel for help summarizing what is happening in the quote.

Quote	**What does it mean? Summarize the quote in your own words.**	**How does this quote show the effects of being sent to Manzanar?**
(Example) “Mama started to quiver. Her eyes blazed up at him. . . . She didn’t say another word. She just glared at this man, all the rage and frustration channeled at him through her eyes. . . . She reached into the red velvet case, took out a dinner plate and hurled it at the floor right in front of his feet” (13).	Mama is upset because she is being cheated for her fine china.	This shows the effects of being sent to Manzanar because Mama is forced to sell all her valuables for whatever price she can get. If she doesn't, people will loot them after they leave. The dealers know that and are not offering a fair price.
“Her eyes blazed then, her voice quietly furious. ‘Woody, we can’t live like this. Animals live like this’” (24).		
"Before Manzanar, mealtime had always been the center of our family scene …Now, in the mess halls, after a few weeks had passed, we stopped eating as a family. Mama tried to hold us together for a while, but it was hopeless." (31-32)		
"Day after day he would sip his rice wine or his apricot brandy, sip till he was blind drunk and passed out. In the morning, he would wake up groaning like the demon … No one could pacify him. Mama got nothing but threats and abuse for her attempts to comfort him." (59-60)		

Cause-and-effect Language Practice

Directions: Use your chart on the front of this handout and cause-and-effect language to describe two **impacts** on Jeanne's family of being sent to Manzanar internment camp.

Impact 1

Impact 2
