Cross Country sweeps the Summit Stinger and Warrior Lincoln Park Invitational

The Summit cross country team won the boys and girls team championships at our home Summit Stinger meet (The World's Toughest) on October 2nd and the Warrior Lincoln Park Invitational in Grand Junction on October 9th.

The wins were not easy. Jay McDonald and Lukas Remeikis were on official recruiting visits to D1 colleges during the Summit Stinger. The rest of the team stepped up to secure the victory over 21 other teams from across the state. Johnny Ryan was the first Tiger, placing second place overall. The girls defeated a very strong Steamboat Springs team along with 2024 National Champions Air Academy, with Kayla Broecker earning the individual victory.

A week later, the boys and girls claimed team victory in Grand Junction. The 36-team meet included four top-ten 4A boys teams and five top-10 4A girls teams including several of the top Colorado Springs teams.

The Summit girls beat Steamboat Springs 75 to 93. Cheyenne Mountain followed with 105 points and Palmer Ridge with 157. The Summit boys edged 4A #2 Palmer Ridge 44 to 52, with Central Grand Junction and Durango atop the other teams with 123 and 154 points. Kayla Broecker and Jay McDonald earned individual victories.

Next up for Summit is the Regional Championship at the North Area Athletic Complex in Golden on October 22nd. The top 4 teams advance to the State Championship on October 31st.

The Summit boys are ranked #1 4A in Colorado and the girls are ranked #3 4A. The boys were recently ranked #3 in the entire southwest nation and #13 nationally.

Cross Country curious? Here are several reasons YOU should run Cross Country. Prior experience is not required. Many world class runners start in other sports.

BOYS GOLF

tiger.boys.golf@summitk12.org

The boys golf season has come and gone!

What a whirlwind season it was! We had Parker Gray qualify for his second consecutive 4A State Tournament. He shot 84-73 over the two days which finished him 33rd overall. His play on day 2 was much calmer and confident, making sense of the greens and playing to his strengths he was able to jump 23 spots up on the leaderboard!

The coaches would like to say thank you to all the parents, family, and the community support we received over the past two months. It doesn't go unnoticed!

Jen McDonald was the big raffle winner, she is headed to St. Andrews in 2027! Congrats Jen!
