Board Meeting Minutes, November 11, 2024, 7:30 pm

Meeting of the HMRTA Board of Directors
Members Present: Betty Williams, Lars Pederson,
Barbara Bourland, Brandy Savarese, Carl Young

AGENDA:

Discussion of 600 West North Ave and WNADA draft bills in legislature. The draft bill proposes that WNADA would be able to condemn any property in the city without review from CHAP. WNADA presented a conceptual design to increase the parking lot of the planned 600 WN grocery by demolishing the houses on the south side of Lennox Street.

Discussion concerned making our case to legislators not to give WNADA such sweeping powers.
