LMQG Board Meeting Minutes

Present: Jeni Kuszak-Ehlers, Tammy Hensley, Jennifer McKitrick, Elisa Salas, Lora Yardley

Meeting Discussion

Announcements were great this time! We need to push the fairs and exhibiting your quilts so the exhibit isn't cancelled again. Do we need to reach out to the fair board or is it going to be more effective for us to let our members know that we've placed a piece in the fair - we will focus on making it known that we've entered pieces in the fair and lead by example.

Color Theory Panel/Trunk Show Program - panelists will be Mary Dittenber, Vicky Bedell, Tammy Hensley, June Pederson?, Kris Jarchow?, Chris Taylor? Panelists will bring their quilts and identify the color theory concepts used in their pieces - transparency, gradations, complementary, analogous, tertiary. Program will begin with color trends, examples (Pantone color of the years, pastels, etc.). Show & Tell - members will also be asked if they can identify and share color theory examples in their pieces.

Do we want to begin an Artist of the Month feature?

Nancy's Paper Piecing Workshop (June 11) - 4 participants so far. Officers will share about the workshop on social media. Tammy will send info to local quilt shops, Bernina, etc. Attendees so far - Michelle Raphael, Jennifer McKitrick, Sara Raphael, Jean Cotton, maybe Elisa?

It has been moved and approved for Lora Yardley to request a credit card for the LMQG account.

Fabric nametags - resize names on template, have ready for January meeting and do a mini workshop

Possibility of David Owen Hastings as presenter/workshop for September 2023 where costs would be shared with the Lincoln Quilters Guild.
