RAIGANJ SURENDRANATH MAHAVIDYALAYA

Sudarshanpur, Raiganj, Uttar Dinajpur
(Affiliated to University of GourBanga, Malda)
Recognized by UGC U/S 2f & 12(B)
NAAC accredited College with "B"+Grade (December`2016)

Outreach program and Seminar on 'To sensitize people about the impact of behavioral change on the environment and biodiversity'
Organized by
Department of Botany
Sponsored by
West Bengal Biodiversity Board, Govt. of West Bengal
On 5th and 13th June, 2024
At ABHOR village & Milanayatan Hall
Raiganj Surendranath Mahavidyalaya

On 5th June, 2024 Department of Botany in collaboration with IQAC celebrated World Environment Day. They organized a tree plantation drive in the Raiganj Surendranath College campus. Students and faculties of the department planted *Delonix regia* (Fabaceae), *Acacia auriculiformis* (Fabaceae) in the campus.

[Tree plantation at Raiganj Surendranath Mahavidyalaya on World Environment Day, 5th June, 2024]

An outreach program was organized by the department of Botany on that very auspicious day at ABHOR village, 10 Maraikura GP, Raiganj, Uttar Dinajpur (which our institution has already adopted). Students and faculties of the department planted various fruit plants like Mango, Lichee, Guava, Sapodilla etc. Students planted fruit trees in the village

houses. And placards were prepared to aware village people regarding environmental problems.

Seminar 'To sensitize people about the impact of behavioral change on the environment and biodiversity'

Seminar on 'To sensitize people about the impact of behavioral change on the environment and biodiversity' was organized by Department of Botany with the financial assistance of West Bengal Biodiversity Board, Govt. of West Bengal on 13th June, 2024 at Milanayatan Hall, Raiganj Surendranath Mahavidyalaya.

[Banner of the Seminar]

The major purpose of this awareness program was to aware students, teachers and non-teaching staff about changing their behaviors that could reduce climate change and protect the biodiversity and environment. In this program college students from different disciplines attended. Undergraduate students of different disciplines like Botany, Zoology, Bengali, Geography, Economics, Chemistry, Sociology actively participated and made the program a ground success.

One Day West Bengal Biodiversity Board Sponsored Seminar

on

"To sensitize people about the impact of behavioral change on the environment and biodiversity"

Date: 13th June, 2024
Place: Milanayatan

Programme Schedule		
Welcome Address	11.00 AM	**Dr. Chandan Roy** *Principal* *Raiganj Surendranath Mahavidyalaya*
	11.15 AM	**Dr. Abhinandan Das** *Coordinator, IQAC* *Raiganj Surendranath Mahavidyalaya*
Inaugural address	11:30 AM	**Sri. Kingshuk Maiti** *Administrator* *Raiganj Surendranath Mahavidyalaya*
Program Orientation Speech	11:45 AM	**Dr. Priyanjalee Banerjee** *Assistant Professor and HoD, Dept. of Zoology,* *Raiganj Surendranath Mahavidyalaya*
Key note speech	12:00 Noon	**Dr. Hariswami Das** *Head Master, Sova Nagar High School, Malda* *National Teacher Award-2021; Shiksha Ratna-2021* **"Improving Global Environment through Sustainability"**
Lecture 1	12:45 noon	**Md Maimun Habib** *NBA-BSIP Intern, West Bengal Biodiversity Board*
Lecture 2	1:15 PM	**Shamik Guchhait,** *PBR Monitoring Assistant, West Bengal Biodiversity Board*
Special Lecture	1:45 PM	**Moumita Das** *Student, Semester-VI, Botany (Honours)* *Raiganj Surendranath Mahavidyalaya*
Vote of Thanks	2:30 PM	**Dr. Rakhee Das Biswas** *Associate Professor and HoD, Dept. of Botany,* *Raiganj Surendranath Mahavidyalaya*

Organized by:
Department of Botany and Zoology in collaboration with
IQAC, Raiganj Surendranath Mahavidyalaya

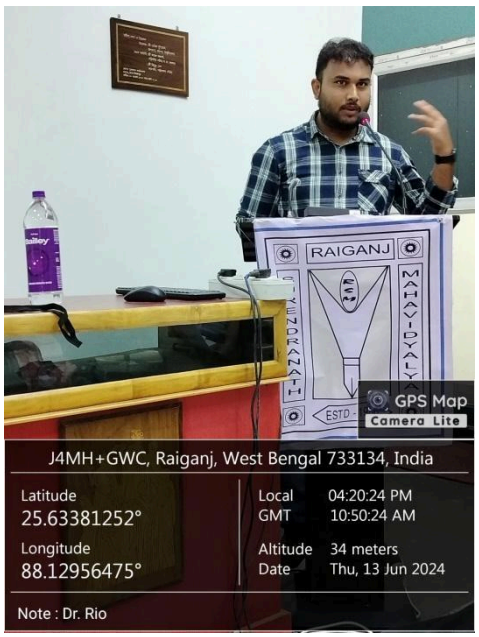
[Program schedule of the seminar]

The program was inaugarated with the welcome address delivered by the Principal, Raiganj Surendranath Mahavidyalaya followed by IQAC coordinator and lighting of lamp along with inaugural song.

[Inaugural Session]

The first guest speaker of the seminar was Dr. Hariswami Das. He is an innovator, science communicator, writer and motivational speaker. He received National award in teaching and Siksharatna by the department of School Education, Govt. of WB. He emphasized the importance of renewable energy for a sustainable future and the conservation of natural resources. Dr. Das addressed various environmental problems and demonstrated the rainwater harvesting system. He illustrated how the water resource can generated through rainwater harvesting project and ground water level can be recharged through his School project. He defined biodiversity and stressed the significance of *in-situ* conservation. Additionally, he discussed waste management system and showcased how remarkable outcomes can be achieved from waste.

[Dr. Hariswami Das]



[Md. Maimun Habib]

[Mr. Shamik Guchhait]

[Moumita Das: student of Semester VI Botany (H)]

The second prominent speaker was Mr. Shamik Guchhait, expert from West Bengal Biodiversity Board (WBBB). He began his lecture by discussing the harmony of the ecosystem amidst the current chaotic state of environment. Guchhait focused on the interaction between non-living components and the ecosystem. He highlighted the importance of biodiversity and the legislative measures to protect wildlife. His speech

predominantly addressed the threats to fresh water fish species, and he concluded by proposing the construction of 'Abhoy Pukur' to conserve fish diversity.

Md. Maimun Habib another expert from WBBB, delivered his talk on the Biological Diversity Act and the conservation of indigenous crop diversity in West Bengal. He mainly focused on the conservation of biological diversity, sustainable use of its component, and fair and equitable sharing of benefits. Md. Habib mentioned UNESCO heritage sites and the agencies responsible for implementing the Biodiversity Act. He also listed different varieties of rice cultivated in various blocks of West Bengal.

Miss Moumita Das, a student of Semester VI from the Department of Botany, Raiganj Surendranath Mahavidyalaya, delivered a short speech on how behavioral change could effect our environment. She focused on environmental stress and emphasized how small behavioral change could create significant positive impact through snowball effect. She urged everyone to use energy judiciously and pledge oath taking on 'Early to bed and early to rise'. She also stressed the adoption of zero-waste practice, good policies, water conservation and reducing the carbon footprint. Finally she highlighted the five R's to achieve a zero-waste policy: Reduce, Reuse, Recycle, Refuse and Rot.

The program completed successfully.
