BOARD MEETING HIGHLIGHTS

Wetaskiwin Regional Public Schools

Rod Drebert Cross Country Meet

We would like to express our heartfelt thanks to all who participated in the Rod Drebert Cross Country Meet on September 20th. Despite the rainy start, it turned into a beautiful day for the students to come together and participate in the event. It was a huge success, and we extend our thanks to everyone involved.

WCHS Volleyball

The board extends congratulations to every team that took part in the Wetaskiwin Challenge Cup. The JV Boys and Girls teams were eliminated in the quarterfinals, while the Senior Girls secured a second-place finish. The Senior Boys team fell short in the semifinal game.

Policy 10: Policy Development

The board has tasked Senior Administration to review and modify Policy 10: Policy development, with the intention of aligning it with the Board's values and beliefs. The revised policy changes are expected to be presented at the next Governance Committee meeting.

CMEC Copyright Awareness Package

The Deputy Minister has provided important information with the Superintendent to share with the schools: With the commencement of the 2023/24 school year, it is imperative for educators to remain vigilant about copyright rules in both physical classrooms and online settings. To assist educators in determining whether they can use print materials, artistic works, or audio-visual materials in their lessons without obtaining copyright permission, the Copyright Consortium of the Council of Ministers of Education, Canada has introduced an online copyright decision tool. You can access the tool on the Teachers and Copyright website at fairdealingdecisiontool.ca.

Recordings of Public Board Meetings

Regular Board Meetings are recorded and posted on the Division's YouTube channel. For October 4, 2023, Regular Board Meeting, Visit the link to view.
