Dear Parents/Guardians:

This letter is to inform you that multiple individuals at Mount Olive High School have tested positive for Coronavirus Disease 2019 (COVID-19). ***All close contacts have been notified.*** The District is coordinating closely with public health officials and following CDC, state, and local health department guidance in order to ensure the health and safety of our community.

We continue to clean and disinfect all exposed areas daily. The school is taking precautions to prevent the introduction and spread of viruses and other germs and is cleaning frequently touched surfaces daily. The status of this situation is fluid, and we are monitoring it closely.

We understand the level of concern regarding COVID-19. We encourage parents and students to continue following the Centers for Disease Control and Prevention promoted safeguards, such as:

- Staying home when you are sick;
- Washing hands often with soap for at least 20 seconds;
- Covering coughs and sneezes and properly disposing of tissues;
- Limiting close contact with people who are sick and not sharing food, drinks and utensils;
- Practicing social distancing (staying at least 6 feet apart);
- Wearing a face covering while in school; and
- Continuing to monitor your health for symptoms.

We appreciate our community's support and cooperation. You can assist us by remaining vigilant but sensible in your approach to dealing with this health concern. To learn more, visit the MOTSD COVID 19 Dashboard located on the MOTSD Reentry Plan Site.

Should you have any questions about this situation, please feel free to contact Dr. Susan Breton, Director at susan.breton@motsd.org or the Mount Olive Health Department at 973-691-0900.

Sincerely,

Robert R. Zywicki, Ed.D.
Superintendent of Schools
