Matty's Portfolio

Age:21
Nationality: UK

Roles:
Main Role is First Entry I have 2 years experience on this role but I am happy to play second entry if required. I do have 3+ Years on other roles but solely looking for a Entry Role.

Past Teams that I have played on:

Galaxy Esports: 6th October 2020 - 20th October 2020 - An established BNL Roster, achieved 4th place in a benelux cup before the team parted ways. I played Second Entry in a (Mostly leaned towards a information gathering) based structure

Team Britain Esports: 21st October 2019 - 25th February 2021 - Short timed team due to player conflicts. Switched to First Entry on this roster as team didn't have experienced first player.

ProphetKings Academy 22nd December 2020 -13th September 2022 - I was the longest standing member of PKA, Across multiple iterations of the roster I was mainly playing First Entry and IGLing. Competed in many T4 leagues (most of which don't exist anymore) and often scrimmed higher class teams due to reputation of the teams name.

Between September 2022 to December 2022 I was on a few failed projects. Which ultimately lead me to take a break in December 2022 to return in September 2023

Experience: High T4 Scrim experience and T4 leagues (Notorious league, CCS qualifiers, Benelux Cup Qualifiers Open and Closed, DESBL) T3 scrim experience and T2 scrim experience.Shot Call Experience
