Dear Respected Members and Interested Parties:

The PICO Neighborhood Council ("NC") SUPPORTS the Council's adoption of a 41:18 designation for the safety and protection of the preschool and secondary schools located at 1067-1071 Fairfax within Little Ethiopia. This location has seen an overwhelming uptick in people experiencing homelessness including a more recent incident of arson and death at the adjacent location of 7-11 on the corner of Whitworth and Fairfax earlier this year. This location houses two preschools with infants and a senior care facility within walking distance. There have been an increase and crime and safety concerns in the area and the much-needed protection that 41:18 ordinance would allow is supported by the neighborhood council.

For all the foregoing reasons, PICO NC strongly supports a resolution to provide 41:18 designation at this location.
