

Saturday June 27, 2026 - Mount Diablo Amateur Radio Club Field Day in Concord.
Amateur radio operators, "Hams" communicate by short wave radio with other hams for hobby AND for public service in times of disaster. On June 27nd and 28rd all over America, 35,000 Hams will turn out for a nationwide "Field Day". YOU ARE INVITED to share in the experience as our radio operators contact other hams across the country and around the world. JOIN IN to watch, listen, and actually talk on the radio. Send your name in morse code. Learn how you too can become a ham radio operator. See how hams assist during disasters. It all starts at 11:00 am Saturday, June 27nd and runs through Sunday morning June 28rd at Olympic High School**,** 2730 Salvio Street**,** Concord, CA. For more information go to https://www.MDARC.org/activities/field-day or contact Larry Loomer at laryloomer@yahoo.com.
