Study trip
“Innovations and LEADER projects”
to Green Riverland Partnership area
28.-29.11.2023

PROGRAM

Tuesday, 28.11.2023

11.00 – 12.30 Tori Stud Farm https://maaelumuuseumid.ee/en/tori-stud-farm/
Tori Stud Farm is a unique symbol of Estonian cultural heritage, and the whole complex including the horses is under development to become a sophisticated Equine Centre offering various services.

12.30 -13.30 lunch in cafe Zool

14.00 – 15.00 Seminar in Visitor Centre of Soomaa National Park
https://loodusegakoos.ee/where-to-go/national-parks/soomaa-national-park/visitor-centre-of-soomaa-national-park. Meeting with representatives of Green Riverland Partnership and Environmental Board (Sandra Urvak, cultural heritage specialist of Soomaa National Park)
Topic: cooperation between Soomaa National Park and Green Riverland Partnership

15.30 – 16.30 Levikivi OÜ https://www.levikivi.ee/en/ stone Industry (LEADER support) and if possible, then little walk on forest path
Here on the edge of Soomaa National Park, there are peace, forests and bogs, river meanders and little lakes, fields, and rocks. And especially the rocks that have stored memory of thousands of years in them are those that we are moving today.

16.45 – 18.15 Tori Cider Farm https://siidritalu.ee/en/ (LEADER support)
Fruit and berry wine has been made at the Tori Cider Farm since the beginning of time. The people currently living there are inspired by the experiences of their ancestors and value the fruits and berries that grow from the local Soomaa soil, which has a peculiar composition. Enjoy a symphony of flavors from local organic ingredients. They make cider, wine, and healthy natural soft drinks.

Accommodation in Klaara-Manni holiday center https://klaaramanni.ee/en/

19.00 – 20.00 dinner in Klaara-Manni holiday center

After dinner a little walk to Randivälja Church (operated by Randivälja village society). After walking you can enjoy hot sauna.

Wednesday, 29.11.2023

8.30 – 9.00 Breakfast

9.00 – 10.00 Introduction of Klaara-Manni OÜ`s and Randivälja village society`s LEADER projects (in the same room).

10.15 departure

11.00 – 12.00 Energy Farm – Eco spa and viewing tower (LEADER support)
https://www.visitestonia.com/en/energy-eco-spa,
https://www.visitestonia.com/en/energy-farm-teahouse-and-viewing-tower
The Energy Eco-Spa is situated on the shore of the Navesti River and offers holiday, conference, and accommodation services with a sauna. This is the perfect place for people who want to enjoy a natural lifestyle that draws on the traditional wisdom of past generations.

12.30 – 13.15 lunch Arturi juures https://www.arturijuures.ee/arturi-juures/

13.15 – 14.30 Introduction of Suure-Jaani Health Centre and LEADER projects in Suure-Jaani

15.00 – 16.00 Võhma Candle Factory https://www.valgusevabrik.ee/en/about-us/
The family business has grown over the years in Estonia, and they produce handmade and beautifully decorated candles. During the excursion everyone has the possibility of pouring their own candle. We teach about the materials used, show how we prepare our handmade candles and walk through the artists room where our handmade cards and wedding candles are decorated.
