Composting Meeting – 09/16/19

How Do We Publicize?

- Reach out to environmental and sustainability groups
- Make and post flyers around campus
- Share Facebook posts
- Make Instagram posts

We give individual compost bins out to individuals.

100-200 composting bins available; no worries about the lack.

Next Steps (Timeline)

1. Week of September 23rd – Shoot for a meeting
2. September 30th—October 11th – Recruitment, flyering, and publicizing
3. Week of October 21st – 1st Info Session
4. Week of October 28th – Composting starts!
