THE PARENTING PROFESSOR

Love and Logic: Adults Supporting Youth with Challenging Pasts™

(Trauma Informed Care)

This curriculum is designed to cut through the complexity of these very challenging topics and provide real solutions that can be applied immediately... rather than lots of theory or abstract ideas. Step-by-step instructions are provided for each of the six modules.

Chris Peterson

Gain powerful insights to:

- How trauma affects the brain.
- Why the intense and extremely upsetting behaviors they see represent attempts to self-protect and survive.
- The science behind healthy attachment relationships and why such bonds form the foundation for emotional and neurological healing.
- How to apply Love and Logic strategies to take good care of themselves while addressing root causes... not just symptoms.
- Establishing healthy boundaries, avoiding destructive power struggles, overcoming defiance, and guiding these youth toward success.
