# Calendaring considerations

This calendar includes all programs and review types. In building the calendar, the following topics were considered:

- Length of time since the program was first approved
- Length of time since the program was last reviewed
- Number of completers the program produces each year
- IBPR data
- Compliance concerns
- Formative review participants
- Seasonal constraints (see calendar key)
- Temporary pauses of ongoing Superintendent, School Counselor, and School Psychologist preparation program reviews (approved by the PESB May 2025)
