SCRIPT

All vocals are specified by the lighting behind the characters in the video!

Part 1:

"Bojack, What are we doing?"

"What?"

Mapleshade walks out from the darkness. Crookedjaw looks confused as to why they're standing in a black void of nothingness.

Part 2:
“All this running around”
“Gina- Someone’s tryna take me down, take the show down!”
Mapleshade walks past Crookedjaw, swishing her tail as she pads offscreen. Crookedjaw still in frame tries talking to her as she walks away.

Part 3:
“So what? You solve this little mystery, fix this little hole and then everything will be fine?”
“I’m doing this for you gina!”
“You don’t want that! For everything to be fine.”
Mapleshade quickly turns around and walks over to crookedjaw and sits down next to him. Crookedjaw retorts his line back, but Mapleshade puts her claw on his lip signaling him to shut the hell up. She says her line and makes somewhat of an evil grin at the warrior. The corpses of Oakheart, shellheart, and Rainflower are strewn behind him. Slowly, he glances behind him, but Mapleshade quickly grasps his attention with the next line.

Part 4:
“How dreadfully boring…”
“Huh?”
Mapleshade stands facing away from Crookedjaw, though as she says this line, her expression is rather sarcastic or tauntingly dramatic. The background is still black at this point. But as shown in the video, the spotlight BURSTS onto mapleshade as she walks.

Part 5:
“Life is a never-ending show, my friend. A twisting, turning, ever-bending show.”
“Huh?”
Mapleshade struts away as Crookedjaw follows slowly behind her, confused. They walk under a gnarled root. Mapleshade looks behind her at Crookedjaw.

Part 6:
“The audience is everyone you know, my friend. Leave them with a smile when you go!”
Mapleshade nears a group of familiar cats under a spotlight, they do not seem to notice them. Those of which being Oakheart, Shellheart, Rainflower, Silverstream, Greypool, and Brambleberry. This group of cats is completely stationary. Close-up of Mapleshade and Silverstream, with a quick push out into the open, empty space, Silverstream is gone. Crookedjaw pounces to where she once was, but to no avail.

Part 7:
“You can bet that you're a star, so don't forget how fun you are!”

Mapleshade stands in front of him, a false look of sympathy on her face. Crookedjaw looks up at her from the ground with grief in his eyes.

Part 8:
“Get out there and give it your all!
And don't stop dancing! Don't stop dancing 'til the-”
The background is still black, but the scene opens up to Crookedjaw standing uncertain on high-rock. Mapleshade comes up behind him, and promptly jumps off, though she is able to float (since she's dead) and whirls around to face him.

Part 9:
“-curtains fall!”
“Ah!”
The high-rock drops out from beneath Crookedjaw, and he is put into the empty black void once more.

Part 10:
“You are a rotten little cog, mon frère. Spun by forces you don't understand!”
Mapleshade grabs crookedjaw by the cheeks with her paw and squeezes it and faces him to a spotlight showing him being yelled at by his mother for looking “ugly”.

Part 11:
“Living is a bitter, nasty slog mein herr; why not sell your sadness as a brand?”
Mapleshade turns crookedjaw once again over to another spotlight showing little crookedkit looking upset and alone all by himself while his brother is being adored by his mother.

Part 12:
“Paint your face and brush your mane, and find some place to cut your pain to portions we can buy at the mall!”
Mapleshade runs with crookedjaw through the black void, passing a shit ton of spotlights containing memories belonging to crookedjaw. Make sure to follow the beat on this one!
She skids to a halt at a spotlight containing a memory of crookedpaw being apprenticed by mapleshade in the dark forest.

Part 13:
“And don't stop dancing no, you can't stop dancing 'til the curtains fall”
Mapleshade uses her hindleg to kick crookedjaw into the other direction while still singing. Crookedjaw, visibly in pain from the kick, weakly gets up and looks at mapleshade, panting heavily.

Part 14:
“Aw, shucks!”
“Ah!”
Mapleshade shrugs while smiling and saying aw shucks.
Crookedjaw jumps at the sight of the spotlight containing some flashbacks appearing in the middle of this empty black void.

Part 15:
Instrumental/Tap dancing
Crookedjaw drops down beside the river where his mother died.
Here, Rainflower jumps from water-submerged rock to water-submerged rock, with pawsteps following along with the tapping of the rocks. Crookedjaw makes an attempt to follow along with he from beside the river.

Part 16:
Instrumental/Tap dancing
The river nears a raging waterfall, where Rainflower jumps down it. Crookedjaw looks on with fear in his eyes, but makes no attempt to follow her down.

Part 17:
“Today's the day, you've got the spark, you'll find a way to make your mark, and get your tiny name on that wall!”
Mapleshade spins crookedjaw around and faces him toward a blue spotlight in the black void. Under the Spotlight is the moonstone and an image of crookedstar as leader flashes for a split second in front of the moonstone under the big light.

Part 18:
“So, don't stop dancin', baby don't stop spinnin',”
Mapleshade does a little prancy-jig between the corpses of Crookedjaw's dead friends and relatives, she completely disregards them as she prances toward the riverclan high-rock.

Part 19:
“don't stop beltin', buddy Now we're winnin'!”
Crookedjaw is Crookedstar in this scene. He tries hard to uphold his clan through his personal life has been completely ripped from him.

Part 20:
“Grief consumes you but you just keep grinnin'!”
The faces of his dead relatives grin and laugh in rows beside Crookedjaw.

Part 21:
“The ache becomes you, and it's just beginning!”
Crookedjaw hisses as his jaw's condition worsens. He is aware that his injury will be his only legacy known to cat, despite all he's accomplished and went through.

Part 22:
“Don't stop dancin', nothing's certain-”
All spotlights containing memories have vanished.
Show crookedjaw, visibly disturbed, mapleshade is shown in the dark void with her back to the screen, but still singing.

Part 23:
“but the curtain!”
Mapleshade grins as she turns her back away from the screen, now showing her face and gives a wink as she says the word “curtain”.
Screen abruptly turns to black.
