Privacy Policy - Property Clash

Privacy Policy of Property Clash game
Privacy Policy Last Updated: [20.05.2025]
This privacy policy explains how we handle information while you use the [Property Clash] app.

1. **Data Collection We do not collect any personal data within the game. However, the game includes third-party advertisements through Google AdMob.**

AdMob Ads and Third Parties We use Google AdMob to display ads within the game. AdMob may collect some anonymous data to provide interest-based ads, including:
Device information (model, operating system, etc.) Ad interactions IP address (for regional targeting, but not for personal identification) For more information about AdMob, visit: For more information about AdMob, visit: [https://policies.google.com/technologies/ads]
If you do not want your child to receive interest-based ads, you can disable "Personalized Ads" in your device settings.

2. **Child Safety Our game: Does not contain any violent content. Does not collect personal data or location information. Does not include in-app purchases (IAP) or external links.**

We prioritize children's safety and ensure our game complies with child-friendly policies.

3. **Parental Rights If you have any concerns or questions, you can contact us through the following channels:**

Email: [almilagamestudio@gmail.com]
As a parent, you can manage your child's privacy settings on your device and control ad preferences.

4. **Policy Changes This privacy policy may be updated from time to time. If significant changes occur, we will share the updated policy within the game or on the app store.**
5. **Anonymous Gameplay Statistics: To improve the game experience, we anonymously track how many players complete specific challenges or modes. This information is not personal and cannot be used to identify any user.**

If you have any questions about our privacy policy, feel free to contact us.

Thank you
