- **Gianni:** Movement against Pepsi - what is purpose?
- **Sam:** about human rights violation. Group, Real Food -- concerned with food supply chain & ethics violations.
- **Gianni:** They funded entire Rec Center construction. Very difficult to get rid of bottles even with different vendor.
- **Sam:** way the contracts usually work -- they have contracts with Pepsi or Coca-Cola. Alternative: local sources. Not trying to get rid of all plastic bottles. Goal: keep Pepsi contract but stop buying plastic water bottles, but change whether we buy plastic water bottles or not. Right now, Pepsi responsible for 70% of plastic beverages on campus.
- **Gianni:** There is a difference between passionate battles & pragmatic passionate
