Promise Makers

strive to create a culture and environment at KHS that is positive, safe and healthy for all. We highly encourage students to live life free of alcohol, drugs and ALL tobacco and vaping products. We do this by encouraging students to COMMIT to the pledge, LEARN more by attending educational meetings and INSPIRING others by sharing and modeling what they know. We also offer KHS students opportunities to participate in FUN activities outside of school. We communicate through Google Classroom, Instagram, and announcements. We encourage parents to sign the pledge with their student to let them know where they stand related to AODTA (alcohol, drugs, tobacco and vaping), academics, health and safety. If you have questions or comments please contact: Ms. Dollevoet (room 2018) or Ms. Scott (room 1141). **Join Google Classroom with this code: btbvyzx and Instagram: khspromisemakers**

SPORTS:

- **NO EVENTS SCHEDULED FOR TODAY!**

ON WEDNESDAY, OCTOBER 29TH

We are having a STATE send-off between Blocks 1 and Flex in the gym for our Boys & Girls Cross Country athletes who qualified for the state meet on Saturday, November 1st in Wisconsin Rapids. Please stop in to congratulate them and wish them good luck at state.
