

WELCOME TO THE GARAGE

Thanks for saying yes to a real conversation. This isn't about perfect answers or polished performances. It's about real stories, hard lessons, wins, failures, faith, family, leadership, and everything in between. Pull up a chair. Be yourself. We'll take care of the rest.

WHAT TO EXPECT

Our conversations are relaxed, respectful, and unscripted. We follow the flow and see where it goes. Topics may include family, leadership, faith, business, personal growth, life lessons, purpose, resilience, brotherhood, community, humour and storytelling, and making a difference.

A FEW THINGS WE DON'T DO

Gotcha questions • Public shaming • Political debates • Sensationalism • Manufactured drama. We're here for honest conversation. That's where the good stuff lives.
