4 Week Drama Intensive at MSE with Carpial Harris!

Are you ready to take the stage and showcase your talents?! Join us at MSE for a 4-week drama and musical theatre dance intensive! A combination of fun theatre games, vocal exercises, voice projection and articulation, scene study, script writing, choreography, and dance movement. All of your hard work will result in a well-rounded show for family and friends on the last day of class! In addition to developing our performance skills, we will also spend time viewing different musicals and analyzing the characters, choreography, costumes, scene design, and more! This intensive is designed to instill confidence and empower imaginations to find their own voice while simultaneously working as a team to create their very own show.
