b. Have you received any non-academic achievements from the past 3 years? If yes, please explain.

III. Non-Academic Experiences

You can write down the answer with your preferred language either in Bahasa or English.

a. List your organizational experiences and positions from the past 3 years!
b. List your extracurricular and volunteer activities during the past 3 years!
c. To which activities or interests have you made the greatest commitment or contribution?

IV. Additional Questions

You can write down the answer with your preferred language either in Bahasa or English.

a. How is your interest in KOSTAF?
b. Choose 3 adjectives to describe yourself and explain briefly on your choice!
c. Why do you think that you are the right person to receive the position you applied to?
d. How are you going to manage your time as you may have classes and other activities?
e. If you would like us to know any special circumstances not reflected in your application, please describe!

V. Media and Communication Visual Portfolio (optional)

For applicants who choose Media and Communication Visual as their Preferred Division 1, kindly attach your design and/or video portfolio plus a design related to a fun fact about fiscal. The submission should feature compelling copywriting with a strong and engaging hook. Applicants are given the creative freedom to determine the color palette and typography. Make sure it aligns with the values of Kostaf FIA UI
