

Epic Eve Quotes

These are quotes that other pilots have said to me.

[00:21:48] Deuce2222 > whos ur toon in there athena? i feel like im not safe anywhere

[05:11:07] SamuraiJack > someone would have to be REALLY damn good to sweet talk you into their mancave :P

[21:33:56] Jack Luciferio > If ship taste is representative of taste in women, I guess I'm attracted to the petite high risk ones who move faster than everyone else around. Shit... that's almost perfectly accurate.

[03:14:49] Major JSilva > don't put my balls in a vice please

[20:09:03] Siou Terminabuntu > Have had lots of action and people through it:)

[20:09:37] Siou Terminabuntu > feels that her hole is a busy place

[01:40:35] Siou Terminabuntu > It's always fun when it's someone elses hole you are playing around in :)

[21:47:19] Galux Olympia > omg, this game is trolling me
