

Welcome to the Bishop Blanchet Parent Association!

The Parent Association brings Bishop Blanchet parents and guardians together to help strengthen and support the entire school community by hosting evenings featuring speakers and important topics, assisting in school events and encouraging families to get to know each other. Just as we encourage our students to become involved at school and meet new friends, parents also find these years to be an important time to make connections with other parents, while finding ways to be involved in our community. The Bishop Blanchet community is based on a partnership that includes all of us - parents, students, teachers, administrative staff and alumni. Your participation is a vital part of this partnership. As a parent or guardian of a Bishop Blanchet student, you are automatically a member of the Parent Association-- but we hope you will find ways to be involved in what we do.

The calendar below includes all the events that the Parent Association plays a role in. Not all of these events are sponsored by PA, but we do need volunteers for most. Those under the second section "Important Weeks" are for information only and do not need parent volunteers.

Please note: *The events listed in this document are accurate as of the date of publication. Be sure to check the BBHS website regularly as events may be added or updated!*

Your 2023-24 Parent Association Co-Chairs,
JJ Horner, Aly Medina and Molly Ruddy
