NOTES:

- To place an order, email the design file to the two emails above and **include the following order details:**

    - **Size of Sign: 36"x24"**
    - **Double-sided on aluminum** (must have same design for front and back)
    - **Full-bleed** (design goes edge to edge of sign - no white border)
    - **Add a protective coating** on the sign to protect it from scratches.
    - **Quantity of signs** you want to order
    - **Completion time frame -** when you need the collateral completed

- They are closed on the weekends, so please plan around that.

- You can pay an additional fee to have them expedite the printing process, if you need your sign ASAP.

- It's about 7 business days for a yard sign to be completed, but turnaround times change based on their current production schedule. Please contact them for up-to-date turnaround times.

- Please follow up with the vendor to ensure they have received your order.
