# Candidature Form for Enrollment under an IFMSA Program 2022/2023

Name of the Activity in English

Name of the Activity Coordinator (first/middle/last)

National Member Organization(s) involved in the Activity (multiple possible)
hereby applies for enrollment under the following IFMSA Program

IFMSA Program

for the term from 1st of October 2022 to 30th of September 2023.

To affiliate activities with IFMSA Programs, the following documents need to be submitted

- A filled-out candidature form, signed and stamped by the President or an authorised representative of the National Member Organization of the Activity Coordinator.
- A filled Activity Enrollment Form online.

By signing this candidature form, all National Member Organizations involved in the activity enter into liability for any damages caused by their activity after being affiliated to an IFMSA Program. This applies to the entire timeline of the Activity.

| **Date and Location** | **Name** | **Signature of the authorized National Member Organization representative** |
|---|---|---|

[1] The President of the National Member Organization (NMO) of the Activity Coordinator can authorize a member of the NMO to approve Activities in their stead, by naming an authorized representative in the NMO Report.
