Curriculum Vitae Template

Instructor & TA Information

Instructor: <full name of instructor, as you would like to be addressed by students>

Office Address:

Phone: <office phone number (if desired)>

Email: <@uga email address or direct to email via eLC>

Website: <link to personal or professional website>

Institutions and Degrees/Credentials Earned:

Please note that the standard UGA CV format for promotion does not include all degrees; it only includes the terminal degree whereas the CV that should be uploaded into the system requires all institutions attended).

Statement of Teaching and Research Interests

No formal guidance was provided by the university system for these elements.

Recent Publications or Scholarship

No formal guidance was provided by the university system for number of years for this element.

Public CVs should not include personal information about the instructor, such as the home address or personal telephone number.

UGA will use the existing syllabus system for uploading syllabi to upload this public curriculum CV. That feature in the syllabus system has not yet been enabled.
