	Safety Issue: Students getting into altercations during Friday Freedom					
How do we prevent? **Teachers will provide structured activities instead of free time/play.**		How do we respond? **Teachers were notified that they need to have structured time during Friday Freedom to prevent altercations between students.**			How do we Document? **documented in Swiss by referrals**	When do we contact parent?
Change Context	Teach Desired Behavior	Re-Teach	Reinforce Desired Behavior	Minimize "pay off"		

Action Plan: What will the adults need to do to get this in place?					
Who	What?	Where	When?	Other resources?	Who needs to know this info?
Teachers	Provide structured activities during Friday freedom	On the playground	when teachers take students out during class time		

- What data will you use to know if it is working? We will use our SWISS data looking at the time and place of the referral to see if there is a reduction of referrals for physical altercations at the time we are focusing on.

- What date you will look at the data to be sure it is working? 11/10/2021
- When will you share the outcomes with the staff? 12/14/2021
- When will you convey outcomes to the parents/families? 11/29/2021
