

La clase de ESPAÑOL

Hello Parents and Guardians,

I am happy to be teaching Spanish to your children again this year. We are beginning the IB Planner "Who We Are". The students will be learning vocabulary about family and about their likes and dislikes. We will also focus on special celebrations around the world. Since we are learning about families, **I would like my students to bring in a photo of their family**. After your child presents their family, the photo will go back home. Here is some vocabulary we will be using in class.

Me gusta = I like	**Se llama** = his/her name is	**Hay** = there is/there are

Tiene = s/he has	**Tengo** = I have	**Me llamo** = my name is

¿Quién es? = Who is it?	**Grande** = large	**Pequeño** = small

Also, will you help your child answer the following questions?

1. ¿De dónde eres? _____ (Where are you from/born?)
2. ¿De dónde es tu mamá? _____(Where is your mother from/born?)
3. ¿De dónde es tu papá? _____ (Where is your father from/ born?)

Gracias,

Sra Bento ♥
