Guidelines for Writing (HMH)

Minilesson

- Actively listen!
- Participate by sharing your ideas!
- Focus while the teacher is modeling, so you can do it too!
- Use partners/peers to think together and share!

Independent/Guided Writing Time

- Pencil to paper writing OR online
- Utilize the writing process of planning/prewriting, drafting, revising, editing, and publishing.
- Various genres of writing
- During Small Group or Individual Conferences:
    - Discuss what you are working on
    - Read an excerpt from your piece of writing
    - Listen to specific suggestions from teacher
    - Apply strategies suggested by teacher

Share Out/Closure

- Share something you have been working on to get feedback or celebrate what you have accomplished!
- Listen attentively to the speaker/author who is sharing their piece
- Reflect on learning or new understandings!
