Apply to be a backup or join the thumbnail contest through the form as well.

MAP Rules:

1. Absolutely NO TRACING! No heavily referencing anything, either. If I catch you tracing or heavily referencing someone's art, you will be blocked from my channel and blacklisted from all of my future MAPs.

2. You will have 3 days to finish your part(s). If you need an extension, send me a work in progress video of your part(s), and I will determine how much time you need to finish your work.

3. You may take up to four parts (this may change in the future).

4. This MAP is beginner friendly!! I will tolerate watermarks as long as they're not too big. Kinemaster and FlipaClip watermarks are small enough.

5. This is an OC MAP. Fandom OCs are allowed, but don't use any canon characters from anything.

6. This may be a spoof MAP, but I'd like to see *some* effort present in your part(s). However, bad lineart/coloring and other stuff like that is fine. So are hidden jokes and funny/photo backgrounds.

7. Your part(s) have to be Christmas related. You think that'd be obvious, but some people just. Don't get it.

8. Discord is not required to join this MAP, although there *is* a Discord server for this MAP. You can just upload your part(s) to YouTube if you're too young to get Discord.

9. Be respectful!! No fighting over parts, bullying others based on their skill level, etc.

10. Comment the codeword "so excited" or "can't wait" once you've applied. Hide it well. Change it up a bit, if you'd like.

11. Your part(s) can be PMV or AMV. Still images are OK as long as they change often enough. Show me a WIP if you're not sure if your part(s) have enough movement. Lipsync is also recommended, but not required.

12. Don’t add lyrics to your part.

13. I’m willing to cut your audio for you!! However, you must join the Discord in order to get your audio cut.

14. The thumbnail contest is OPEN! Fill out the participant form and join the Discord to participate!

15. Ask questions if you have them, and have fun!! Let me know if I’ve forgotten any important rules, too. I tend to do that sometimes 💀
