## *ISEE and SSAT Prep Programs*

### Prep & Tutoring for the ISEE

For students applying to independent middle schools

Virtual

*Quintana Carter, Sexton Test Prep*

This Middle Level ISEE course is designed for students who may be applying to independent/private schools for grade levels 6-8. The virtual nine-hour course, five-night workshop includes a proctored full-length practice exam, and it is designed to give students a complete overview of all sections of the ISEE. By participating, students will become familiar with powerful ISEE strategies and improve their knowledge of the most commonly tested topics - from finding slope to vocabulary-in-context. The skills and tips learned during this intensive workshop will provide a strong foundation for your student's ISEE preparation. The course also will provide diagnostics that can guide further targeted preparation, either for the exam or in school. **Note: There will be an additional fee for required materials, with package prices ranging from $95-$300/student. For more information on the packages, contact Sarah Weiner, saw@sextontestprep.com. The materials fee that will be paid directly to Sexton Test Prep & Tutoring.** Limited to 14.

*Dates: 5 Mondays, September 28-November 2 (no class 10/12) Time: 5:00-6:30 PM (8:00 PM on 10/5) Fee: $460*

### Prep & Tutoring for the SSAT

For students applying to independent prep schools

Virtual

*Quintana Carter, Sexton Test Prep*

This Upper Level SSAT course is designed for students who may be applying to independent/private schools for grade levels 9-12. It is a virtual nine-hour course that includes a five-night workshop, with a proctored full-length practice exam. It is designed to give a complete overview of all sections of the SSAT. By participating in this course, students will become familiar with powerful SSAT strategies and improve their knowledge of the most commonly tested topics - from analogies to slope. Students will also learn which resources and study methods give them the best chance of succeeding outside of class. The skills and tips learned during this intensive workshop will provide a strong foundation for your student's SSAT preparation. Also, the course will provide diagnostics that can guide further targeted preparation, either for the exam or in school. **Note: There will be an additional fee for required materials, with package prices ranging from $95-$300/student. For more information on the packages, contact Sarah Weiner, saw@sextontestprep.com. The materials fee that will be paid directly to Sexton Test Prep & Tutoring**. Limited to 14.
