Commission's 2017

TOS

- You are allowed to post any art that you commission from me where you like just please keep the watermark visible and a link back to my profile clearly crediting me for the artwork.
- I will not start the commission until I am paid in FULL.
- PLEASE have a clearly visible reference of what you want me to draw. Whether it's an oc or a pet have a good ref that I can clearly see colors well and colors are accurate. I prefer digital refs as traditional refs the colors will be distorted from the color picker or won't perfectly match which markers I choose.
- Refunds can be issued HOWEVER if I have started it already only a portion will be returned depending on how far I have gotten.
- I have any right to refuse a commission if you have a history with art theft, fraud, etc.
- If paying by PayPal you must be 18+ or have parent's consent when using PayPal if you are under the age of 18.
- Prices are subject to change as I see fit

PAYMENT

- USD $ only
- Will accept DA points but add 25 pts onto the price. (To encourage PayPal usage)
- Paypal or Snail mail
    - If by snail mail I require a tracking number on the money, if the money has not arrived within a week of being sent I have the right to drop your commission
        - If the money will take more than a week to arrive I can make an exception just let me know

Δ WIPs are taken regularly (more so for traditional pieces) and you can request wips whenever but do note that I do have a job and attend college so commissions are done during what free time that I have so please be reasonable when asking for wips.
