This crew is more improper than 7 out of 10 pornstars

Welcome to ATGN as Libertine at this Podcast and fan of all things Allan Moore. I have attended three Different Exxxtica Conventions. I have had the pleasure of meeting Nina Hartley, Ron Jeremy , Tera Patrick , Gianna Michaels, Aria Giovanni and more pornstars. . I can honestly tell you that this Crew is more improper than all those public fornicators. ATGN host are more improper than 7 out of 10 Pornstars. This is a proof of the audio I might record for your show.

A group of nerds from different nerdy backgrounds to talk about all things good and nerdy... and not be creative with a name.
