Subject: Is your ballot still on the counter?

Hi [NAME/FRIEND],

We know you vote. You never miss an election, and that matters more than you probably realize.

So here's our one ask: return your ballot a little sooner this year.

When you return your ballot early, you're helping election officials get a head start by processing votes ahead of Election Night.

Three ways to return your ballot today:

1. Official Ballot Drop Box — there are 400+ across L.A. County, open now!
2. Any open Vote Center — drop your ballot off in person.
3. Mail it back — no postage required, but send it by October 27 to ensure timely delivery. If you're mailing close to the deadline, go inside the post office and request a postmark.

FIND A DROP BOX OR VOTE CENTER

Thousands of voters across L.A. County have already returned their ballots. Join them and return yours today!

Already voted? Amazing! Wear your sticker with pride and then text a friend to encourage them to return their ballot today.

Not sure where your ballot is? Use the "Where's My Ballot" tool at **PLAN.LAVOTE.GOV** to track it.

Thanks for being the kind of voter the rest of us can count on.

Sincerely,
[SENDER]
