ANNEX III
ACTION PLAN

INSTRUCTIONS

Initial report:
Please submit Items 1 to 5 in a Word or PDF document (no more than 5 pages in length, including text and tables) as an attachment to your Scholarship Application Form, as indicated in the Call for Applications, Section XI.

1. Name of participant.

2. City and country of residence.

3. Institution of employment and position held.

4. Indicate the main existing policies in your country and comment on some of the specific programmes, projects, and studies on flooding and mass removal.

5. Provide a brief presentation summary of a project or action plan that can be applied in your institution or line of development/research.

*Note: Point 6 refers to the project that will be prepared **at the end of the international Course in Flooding and Mass Removal** and thus only applies to the applicants who are awarded scholarships.*

6. Project outcomes / Final report

   6.1. Indicate the aspects of the course that you found the most relevant.

   6.2. Please specify how the knowledge you acquired from the course will improve your professional development in your country of origin.

   6.3. Describe the concrete actions you expect to implement in connection with the project you presented. Please present the information in a table as follows:

OBJECTIVE	ACTIVITY	OUTCOME	TIME
