IMPORTANT MESSAGE FROM PARKING SERVICES re The Circus

"I can confirm that there are no arrangements for alternative parking whilst the parking suspension is in place in The Circus. The suspension is being implemented due to essential resurfacing works being undertaken and the Council does not have to provide alternate parking.

The resident permits are valid for all resident permit bays within the central zone and it is the permit holders responsibility to ensure that they vehicle is parked within a legitimate space. Please be advised that the permits are also valid for use in Charlotte Street Car Park between the hours 5.30pm to 10am free of charge.

I am sorry that I am unable to provide a more positive response."
