

2026-2027 Bridlemile Leadership Club Information:

Bridlemile Leadership is a club that involves fifth-grade students in the participation of creating a positive school climate. Leadership students participate in projects that focus on community and on the development of leadership skills that students will be able to take with them and use in middle school, high school, and beyond.

Leadership will take place on **Mondays during the 5th-grade lunchtime at 11:20 am.** Leadership will run from Monday, September 28th through Monday, June 7th, 2027. There will be a Leadership Agreements/Expectations form that students will need to read before they can join.

The application for 5th Grade Leadership is due on Thursday, September 24th. Leadership applications will be sent to all 5th-grade students through their classroom teacher. They will have all the time they need to work on their application and submit it.

I am excited for the 5th Grade Student Leadership Club to start and am looking forward to doing great things! Please feel free to contact me anytime if you need further information or have any questions.

Sincerely,

Rachel Reich

Bridlemile School Counselor
