Co-Teaching-The Power of Communication

How things have changed in the world of English Language Acquisition!

With the arrival of Co-Teaching, ENL teachers and General classroom teachers now share knowledge and classrooms for the benefit of all students. (No more push-in or sitting quietly in the back of the room) It's Integrated ENL now !

Send Introductory Letters to Co-Teachers/Staff Note: We have noticed that there are still many questions about pushing-in to a content area classroom. (Although the push-in model was done away with and replaced by Integrated ENL many years ago.) So we recommend that you send your Introductory Letter along with What Does an ENL Teacher Do? to your Co-Teacher in the early fall.

Give a brief explanation of what Integrated ENL entails. What is Integrated ENL? Isn't the term "Push-in" obsolete? Yes! All ELLTip Sheets (Includes Content Areas and Specials) Teaching ELLs in the Content Areas
