Period 7 Norms

Community-based: be friendly and support unity
Be caring and compassionate: help others around you, be mutually respectful, judgement-free, and aggression-free with others.
Give encouragement and be supportive
Set-up that facilitates comfort, socializing, and bonding in a casual way.
Listen to others: be open to accepting advice from others, appreciate their help, disagree with their ideas instead of tearing them down, share air-time with others
Allow others to voice their opinions and listen carefully before analyzing what they said.
Have confidence and be willing to learn: be willing to try something new, step out of your comfort zone, ask questions
Don't worry about making loud mistakes; recognize we all learn from them.
