Flourish 2026

You can change a young person's life!

At Boston Trinity Academy, we believe that every promising student deserves access to an academically rigorous, college-preparatory education, regardless of their financial means. Each year, we award over $2.1 million in scholarships to more than 60% of our students, making us the most diverse high school in Massachusetts. Many of our students are first-generation college-bound or come from diverse economic and racial backgrounds, and for them, a Boston Trinity education changes the entire trajectory of their lives. Our students graduate with tremendous success; 99% of our students have gone on to four-year colleges, and universities and 83% have graduated.

On April 25, 2026, we will host our 21st annual Spring Scholarship Banquet, "Flourish." This event raises critical funds for student scholarships, ensuring that talented young people, regardless of their financial circumstances, have access to a transformative education.

Would you consider donating an item to our silent auction to support these students? We are seeking high-quality items such as sports and show tickets, exclusive experiences or unique items, or hotel stays or vacation home getaways.

Your donation will not only contribute to our scholarship fund but will also be showcased in our mobile bidding auction, reaching hundreds of supporters online.

To donate to the auction, please fill out the attached form online or by mail by April 22. We will use mobile bidding, and our auction items and sponsors will be viewed online by hundreds of people.

As a token of our appreciation, we can offer you a FREE quarter-page ad in our sponsorship program book. If your business or organization is interested in gaining exposure by placing a larger ad, please contact Claire Eidson at ceidson@bostontrinity.org. Boston Trinity Academy is a 501(c)(3) non-profit, Tax ID 04-3580876.

Thank you for considering this opportunity to change lives!
Sincerely,

Caroline Kay
