October 2025

Dear Families:

In order to learn more about student experiences at school, we will be asking for your child's feedback via an online survey. The survey will be given in school to all students from 3rd to 12th grade, and will take approximately 20-30 minutes to complete.

The survey questions will ask students to reflect individually and provide feedback on:

- School climate
- Teacher-student relationships
- Their sense of belonging to the school
- School safety

The survey results will provide valuable feedback directly from students, which will enable us to make informed decisions regarding communication, the academic program and the overall school experience for everyone.

Please note:

- We are partnering with a third-party vendor to support us in administering the survey.
- Responses to the survey will be completely confidential.
- If a student does not feel like they have enough information to answer a question, they will be able to skip the item and move on to the next one.

If you would like further information about the survey, please do not hesitate to contact your child's school.

If you **do not** want your child to take the survey, please complete and return the form below to the school before Friday, October 24, 2025.

Thank you in advance for your consideration.
