Dear Community Sponsor,

On behalf of the Orchard Park Elementary PTO, thank you for considering a partnership with our school community for the 2026–2027 school year.

To our returning sponsors — thank you for your continued support and generosity. Your partnership has helped our school community thrive year after year. To our future sponsors — we look forward to working together to support OPES students, staff, and families.

Because of our amazing community sponsors, OPES PTO was able to help provide:

- $24,000 in classroom startup funds for teachers
- $5,000 in additional grade-level and Related Arts support
- Over $5,000 in Teacher Grants for specialized student projects
- More than $10,000 in field trips and enrichment opportunities
- Field trip scholarships for students in need
- Agenda books for 2nd–5th grade students
- Over $8,000 toward our One School One Book program, visiting author, and schoolwide activities
- New playground and recess equipment for classrooms
- Monthly staff hospitality, appreciation events, and Teacher Appreciation Week celebrations

As OPES continues navigating district growth and redistricting, community sponsorships remain more important than ever in helping support educational programs, student resources, literacy initiatives, and schoolwide experiences.

This year, our sponsorship goal is $20,000 to help maintain and expand these opportunities for OPES students, staff, and families throughout the school year.
